

ye olde
**LANDMARK
TAVERN**
— BOUCKVILLE, NY —

For almost 50 years it has been our pleasure to offer hospitality to everyone who has passed through the doors of Ye Olde Landmark Tavern. As we navigate the challenging situation surrounding the COVID-19 pandemic we want to ensure everyone that when we open our doors for the season on March 19th we will take all precautions to ensure the safety of all guests and staff members.

We have always held ourselves to the highest standards of sanitation and will continue to raise the bar throughout this situation. In addition to our standard practices we will be taking enhanced actions such as sanitizing all chairs, tables, and guest check presenters after each use. High traffic areas and frequent touch points will be sanitized regularly. We will also utilize a disposable menu until further notice. Hand sanitizer will be available in all guest rooms as well as within the restaurant.

In order to provide our guests and staff with a safe environment we ask that anyone who is feeling ill please wait until they are healthy before visiting us. We are happy to prepare takeout orders of any size to provide everyone the chance to enjoy a little of The Landmark at home.

The health of our staff and our guests will continue to be our highest priority.
Thank you for understanding.

With gratitude,

The Hengst family
